LETTER FROM THE TREASURER

With the spring weather here already we are gearing up for a great spring, summer and fall season ahead of us. We are proud to say that this past first quarter of our year has been the largest ever in revenue earned. We have YOU our employees to thank for that with a little help from the weather. Dave has been busy bidding and is confident that we are in the running for several jobs on the horizon. We want to work hard to keep that momentum going to achieve our revenue goals for the year! We are about 50% there with our backlog. On the flipside we have also been tweaking our job costing controls. We know it is important to track our material and labor costs to stay within budget. We are looking forward to a great rest of the year!

NKC SPOTLIGHT

“EVERYDAY SAFETY”

Our Safety Committee met for the second time this past March. We discussed our processes for safety inspections. Mike created and handed out several check off lists for General jobsite inspections to be performed weekly and specific jobsite inspections to be performed daily. We are sharing this with the Foreman so that safety can be a consistent process on every job. We also added a section to the Foreman's Daily Reports called “Everyday Safety” so that safety is a concern everyday. One tip we are reminded of is that “A Clean and Organized Jobsite is a SAFE Jobsite” It is important for us all to take responsibility for our safety.

CMHA EUCLID BELMORE UPDATE

We have had an excellent start with the CMHA Euclid Belmore Project. We are currently working on the Foundation and the Elevator. Our on target block counts are keeping us within budget for the job. We will soon start the veneer.
